Property Description

THE flagship restaurant of Uvita, The Beehive Mediterranean Restaurant & Bar is a popular dining location for visitors and residents of the Costa Ballena. In 2018, the restaurant was created and fully renovated with

custom detailing, creating a new high end dining experience for the Uvita area, with impeccable service and unmatched ambience. The Beehive has built an established return clientele and has become a hot spot where the community also enjoys summer pool parties, weekly live music events and fundraisers. Through meticulous detailing, the facility maintains an intimate ambience, yet can accommodate up to 200 clients for meals. Well known for also hosting large gatherings, the Beehive has successfully accommodated a number of events, including several with over 700 attendees. Located along the Costanera highway in the expanding town of Uvita, this is a prime location and literally the first restaurant one sees when entering the town from the north.
