Property Description

This is a unique opportunity to own a 50 hectare (123 acres) primary jungle parcel within 20 minutes of the best beach in the southern zone, Playa Linda. This large parcel offers stunning mountain and valley views, and complete privacy from any neighbors. The parcel is perfect for a family compound, retreat or to possibly subdivide in the future. The parcel is situated between Playa Dominical and Manuel Antonio/Quepos. The

road up to the parcel from the Coastal highway is very well maintained and a breeze to drive. Water is provided by the local Silencio Asada and it's just down the road, electrical service is nearby as well. Don't miss one of the last opportunities in the southern zone to own a large parcel just a short drive from the beach.
