Property Description

In a secure gated community this elegant three bedroom home has all of the amenities anyone could ask for. Recently tastefully renovated by the owners, they added a large carport and a refreshing pool with exquisite tropical landscaping. The large master bedroom with a large ensuite is accessible from the main living area and has access to the patio and pool area as well. The guest bedrooms are also a good size, no cramped quarters here only spacious elegance. The house was built with expansive patio areas outside, a front patio to

relax and watch the beautiful mountain view, and in the back poolside dining with an added lounging area to catch the ocean breezes. The kitchen features top of the line stainless steel appliances, granite counter tops and pendant light fixtures. This house is truly turnkey with all of the kitchen, linen and furniture included.
