Property Description

One of the most impressive view lots located in the Costa Verde Development of just over 2 acres. Very large buildable site with water and electric ready to go. Costa Verde is up at a comfortable altitude of over 1,200 feet above sea level, and average temperatures of 70 degrees. Project has excellent infrastructure, and a recreational area for the community to include clubhouse, and playground, and recently constructed tennis courts! If you want to be part of a top notch community with the best views and infrastructure, and make an investment that will always appreciate in value, this is your best option!
