Property Description

Just Reduced !!!! This property has unparalleled views and is aggressively priced to move !! The trees in the view are on the property and can be harvested anytime or left alone. The choice is yours. Located high on Escaleras Mountain this lot enjoys a cool climate and epic views of the Pacific Ocean, Drakes Bay, Cano Island and the famous "Whales Tail". The building pad is huge and will easily accommodate a large home and pool, while leaving room for another home or guest house. The development Costa Verde is one of the

best in the area and enjoys mature plantings, easy to drive internal roads and grand views of the ocean, the valley and Diamante falls. These views are so amazing that many long time residence of Costa Rica are selling their properties to purchase here. This speaks volumes about the pros of living in Costa Verde. The current owners of this lot are taking a loss on this property to try and secure a quick sale.
