Property Description

Welcome to this stunning 45-hectare property with an unparalleled panoramic view of the picturesque Pacuarito Valley. This vast land offers endless possibilities, from developing multiple residences to creating a thriving ecological community or an exclusive retreat center. The land, framed by the majesty of the valley, provides a unique natural environment that captivates the senses. With the ability to develop multiple

houses, each with its private corner and exceptional views, this property serves as a blank canvas for those looking to create their personalized paradise. The highlight of this property is its primary forest, which not only adds beauty and serenity to the surroundings but also provides refreshing shade and a diverse natural habitat. Here, the connection with nature reaches its peak, offering opportunities for rejuvenating hikes, bird watching, and authentic experiences in a natural setting.
