Property Description

This wonderful lot provides two of the most precious and sought-after qualities – close communion with the tropical wilderness and peace of mind & security. Located in a gated and safe development, you can enjoy the sights and sounds of nature with a total peace of mind! Set back a fair distance from the internal road the elevated plantel, tucked against the towering jungle trees and out of sight of the passing vehicles, is reached

via a long, winding and prepared driveway. The towering jungle trees envelop the property from all angles so that all you see is the greenery – with the internal road and other houses hidden behind & below the lush canopy. The building area is suitable for a sizeable house which will amaze with natural, green views from every window! The majestic coastal mountains provide a dramatic backdrop to the local area. These mountains rise to over 1,300m (4,300ft) and are often covered by ever-changing clouds and mists.
