Property Description

For those seeking an immersive experience, surrounded by lush jungle but featuring full & unique comfort,

this property is waiting to provide you with unforgettable moments! Come connect with the rainforest in this cozy home nestled in the buzzing jungle of Costa Rica's southern zone. This place is designed to recharge your batteries and disconnect you from the rush of everyday life. Enjoy the peace and quiet, and when it gets warm you can cool off in the nearby burbling and cascading river. Holy peace and serenity! May I add that this property is a PERFECT location for a home or research base if you are a biologist or environmentalist! The South Zone of Costa Rica boasts rich biodiversity, featuring diverse ecosystems like rainforests, cloud forests, mangroves and lively coastal areas. This region is home to numerous species of flora and fauna, including tropical birds, mammals like monkeys and sloths, tapirs, scarlet macaws and a variety of amphibians and reptiles.
