Property Description

Introducing Casa Tigre, a newly built 18-bedroom, 15.5-bathroom residence designed for comfort and entertainment. This three-story home features a social area on the ground floor, complete with a spacious living room, a pool table, and a large kitchen. The backyard offers a private pool and an outdoor shower, perfect for relaxation. Each of the 18 bedrooms is equipped with mini-split air conditioners, stylish bedroom sets, and unique artwork. Most bedrooms have private bathrooms, while a few share a convenient Jack and Jill bathroom. The main floor also includes a well-appointed laundry room for added convenience. Located

just one block from the ocean on the southern end of Jaco Beach, Casa Tigre was specifically designed to accommodate large groups. With a growing demand and limited supply of properties with multiple bedrooms, this home is an ideal choice for corporate events, weddings, and bachelor parties.
