Property Description

Cozy Home in a Tropical Setting This charming house combines comfort and style in every corner. Built in 2002 and recently renovated, it features a modern kitchen with white cabinets and wooden details that create a warm and functional atmosphere. The bedroom is bright, with direct access to the garden, air conditioning, and plenty of space to relax. The property is surrounded by lush palm trees and greenery, offering both privacy and a refreshing tropical feel. Perfect for those looking for a peaceful home with a tropical touch.
