Property Description

Elegant Ronald Zurcher estate in Santo Domingo, Central Valley Costa Rica. Luxury home with spectacular manicured gardens, new irrigation system, tempered salt water pool, guest house, security system, privacy and classic Hacienda design. This remarkable one story residence in Santo Domingo de Heredia is a rare opportunity to acquire a branded home designed by Ronald Zurcher, one of Costa Rica's most celebrated architects. Known for his organic forms, attention to detail, and mastery of spaces that blend elegance with functionality, Zurcher's work represents some of the finest expressions of modern architecture Costa Rica has to offer. Completed in 1996 and built by Constructora Ing. Dedi Heinrich, this home carries the timeless appeal of a classic Hacienda-style estate, enhanced by the sophistication and vision that define Zurcher's signature approach. The house was totally remodelled in 2020.
