Property Description

Welcome to La Sombra Villas, a private mountain sanctuary where contemporary architecture meets

elevated treehouse living. Nestled in the cool mountains of Tinamastes, just minutes from the world-famous Nauyaca Waterfalls and only an 18-minute scenic drive to Dominical Beach, this one-of-a-kind property blends wild jungle beauty with modern sophistication. Set on 2.5 lush and private acres, La Sombra is a secure jungle retreat designed for peace, privacy, and connection with nature. Surrounded by towering trees, mountain breezes, and the gentle sounds of flowing water, the property offers a rare sense of calm where life slows down and every breath feels a little deeper. La Sombra features three thoughtfully designed private villas, each combining natural textures, warm materials, and modern comforts to create a truly unique retreat experience. The Main Sombra Villa is the heart of the property.
