Property Description

Discover your peaceful Caribbean oasis in this modern, move-in-ready tropical home, set on a generous 4000 sqm (nearly 1 acre) flat lot in the serene surroundings of Cahuita on Costa Rica's vibrant Caribbean coast. This charming single-story residence offers 2 comfortable bedrooms (one with air conditioning for cooler nights), 1 full bathroom, and a spacious open living area that includes flexible office space—perfect

for remote work or creative pursuits. The design emphasizes natural light, airflow, and seamless indoor-outdoor living, embracing the relaxed "Pura Vida" rhythm of the region. Step outside to your private paradise: a sparkling swimming pool (approximately 7x4 meters, complete with filtration system) invites refreshing dips and lazy afternoons by the water. Adjacent is a generously sized covered outdoor kitchen (around 30 sqm), ideal for grilling fresh local produce, preparing tropical meals, or entertaining while surrounded by lush greenery.
