Property Description

Luxury Ocean View Home for Sale in Playa Hermosa, Uvita, Costa Rica Located in the highly desirable Playa Hermosa hills just minutes from Uvita on Costa Rica's South Pacific Coast, this newly built luxury ocean view home offers a rare opportunity to own a modern turnkey villa in one of the most sought-after areas of Costa Ballena. Designed by a respected local developer known for high-quality construction and thoughtful architecture, the home blends contemporary tropical design with breathtaking ocean and jungle views. Positioned within a secure private community with easy 2-wheel drive access, this property offers the perfect balance of privacy, convenience, and proximity to world-class beaches, restaurants, and nature. The residence spans approximately 4,650 square feet of living space and sits on a lush tropical property of 1.47 acres, surrounded by vibrant jungle and overlooking the Pacific Ocean.
