Property Description

Perched 1,880 feet above sea level, this exceptional 5-bedroom estate offers over 5,000 square feet of refined living space, where breathtaking ocean views meet dramatic mountain backdrops. Designed to capture both sunrise over the peaks and unforgettable sunset vistas over the Pacific, this home delivers a true luxury lifestyle experience—not just a residence. A private gated entrance and paved driveway lead to a grand covered arrival with a circular motor court, setting the tone for what lies beyond. Inside, the home opens to a stunning great room where the living, dining, and kitchen areas flow seamlessly together. Expansive bi-fold glass doors disappear entirely, creating a true indoor-outdoor living environment that frames the infinity pool and panoramic ocean views. The gourmet kitchen is both functional and inviting, featuring granite countertops, a large central island with seating for five, solid wood cabinetry, and premium stainless steel appliances.
