Property Description

Perched above the iconic Whale’s Tail, this stunning tropical retreat designed for those who appreciate privacy, breathtaking views, and thoughtful architecture. This beautifully crafted three–master-suite

residence offers sweeping Pacific Ocean sunset views, an open-concept layout, and construction built for both comfort and longevity. Expansive windows and sliding doors frame the ocean and jungle beyond while allowing the refreshing coastal breezes to flow naturally through the home—often making air conditioning unnecessary, though it is available for additional cooling when desired. The seamless indoor–outdoor design leads directly to a spectacular infinity-edge pool and a large covered outdoor lounge area, perfect for entertaining or simply relaxing while watching the sun dip into the Pacific. Set on approximately 1.29 acres of lush tropical land, the property greets you with an impressive entrance framed by mature flora and vibrant greenery.
