Property Description

Welcome to one of the most unique lifestyle and investment opportunities in Turrúcares, Alajuela. This exceptional 13,000 m² property combines luxury countryside living, fully equipped horse facilities, breathtaking mountain views, private water sources, and incredible development potential — all located only 15 minutes from Juan Santamaría International Airport. Perfectly positioned in a peaceful natural setting while maintaining excellent accessibility, this estate offers the ideal combination of privacy, comfort, functionality, and future investment value. Whether you are looking for a private horse ranch, an Airbnb or eco-tourism project, a family retreat, or simply a stunning property close to the city and airport, this estate delivers endless possibilities. As you enter the property, you immediately notice the excellent infrastructure and thoughtful layout. The estate features two independent entrances — one dedicated to the main residence and another designed specifically for horse operations and service access.
