Property Description

Casa Oropéndula is a brand-new jungle home set in the hills above Dominical, one of Costa Rica's most sought-after surf towns on the Southern Pacific coast. You're 5 minutes from the beach, 5 minutes from

Nauyaca Waterfalls, 4 minutes from Reptilandia, 10 minutes from Platanillo, 15 minutes from Tinamastes, and 45 minutes from the regional airport. Dominical has restaurants, beach bars, and a solid wave break, plus an organic farmers market every Friday. Tinamastes runs another one every Tuesday. Fresh local food twice a week, both an easy drive. Built in 2025 with full concrete construction, the house sits on 3.44 private acres bordered by a year-round creek with small waterfalls. It's a single-story, 3-bedroom home with 2.5 bathrooms and a separate office large enough to use as a fourth bedroom. The ceilings are high, the windows are big, and sliding glass doors open onto the jungle on multiple sides.
