Property Description

Located in a development of approximately five lots—with 60% already built—this property offers the perfect balance of privacy, exclusivity, and convenience. Just 5 minutes from restaurants, supermarkets, and daily amenities, and less than 10 minutes to the area's beautiful beaches like Hermosa and Chaman, the

location is ideal for both full-time living and investment not 4WD needed. Set on a generous 4,030 m² lot, the property features a gentle, usable topography where you can truly enjoy 100% of the land. Positioned away from the public road for enhanced privacy, the home enjoys 180-degree panoramic mountain and garden views, along with a refreshing year-round breeze at this elevation. Home Features This residence is designed with a seamless blend of modern architecture and organic finishes, featuring exposed concrete elements complemented by natural wood and warm tones throughout.
