Property Description

This is an amazing opportunity to get into Southern Costa Rica with a turn-key newly renovated vacation

home completed in May 2010 and ready to rent for \$200+ per day. This home is located on the only all cement road in the area and boasts one of the most breathtaking views of the Whale's tail, sunsets and ocean landscape you will find anywhere! A fabulous infinity pool, extensive decking and cement work, large private yard with a jungle of wildlife is the envy of outdoor living. There is plenty of room to expand on this 3000 M2 lot with a private building pad above the property. This is the perfect location for producing income while enjoying your life in paradise. The home features 3 bedrooms & 2 bath upstairs with a large living/family room and 2 covered balconies overlooking the incredible Whales Tail, sunset and ocean views. The downstairs offers 1 large bedroom, full bathroom, separate laundry room and kitchen - family room area that leads out to a covered patio, beautiful infinity pool and spectacular ocean views! Priced to move at \$495,000 USD w/ Seller financing available.
