- Water Views

Property Description

Enjoy a breath-taking ocean view to accompany every activity in this beautiful luxury home. Every single detail has been designed to perfection. The home is perfectly angled to watch the sunset over the ocean; large glass windows and doors allow you to marvel at the view from almost every part of the home, and high ceilings to maximize the bright, airy feel to the home. It was purpose-built in 2021 as a contemporary holiday home for those who enjoy the finer things in life. Picture this; you wake up to the sound of toucans stirring in the jungle around you. You open the blinds, and sunlight streams into the bedroom; it is a beautiful day, and you can see that the waves are perfect for a morning surf. You make your way through to the chef's kitchen and make yourself a coffee, admiring the view as you wait for the kettle to boil. On the lawn below, two monkeys are playing; you creep through the foldaway doors to sit on the patio and watch.
