Property Description

If you're looking for character, this is your home! From the immaculate woodwork, to the arched entryways, to the unique windows, this three bed, two bath home could be your perfect home in paradise. This home is just over 2,500 square feet and the owner is willing to negotiate in the furnishings. There is an indoor laundry room and two balconies, where you can sit and enjoy your ocean view. The home is conveniently located about 50 minutes from SJO Airport, 10 minutes from downtown San Ramón, and just under an hour and a half from the beach. The property is private with gated entry.
