Property Description

This beautiful house is located in Ojochal Costa Rica which is one of the most diversely populated communities on our Southern Costa Rica coast line. Surrounded by the natural wildlife of Costa Rica this is the perfect home away from home for some looking to purchase a second home. Safe, clean and easy to maintain this is a must see for all individuals looking to re-locate. With 1800 sq feet of living space, 3 bedrooms, large living room space, and large open pine deck that leads into the pool makes for an amazing setting. A courtyard with mature landscaping offers a private get away to entertaining, yogo retreat, or family setting. This is a must see if you are looking for 2 bedroom, with great 1 room guest house.
