Approximately 5,800 Sq. Ft. of construction. Beautifully landscaped property. Buildings include: A 4-Bedroom B&B, A full restaurant and Bar facility, huge beautifully tiled covered patio, with tiled fountain that could be used for a plant nursery or a Yoga Center. For the functional aspects, towards the back of the property is a well built, huge steel garage/work-shop large enough to park 6 cars inside. There is a small stream through the property and grounds with a variety of fruit trees, colorful plants and flowers. The hill-top residential site with beautiful mountain view may be subdivided.
