Property Description

SETTING: This small hotel, consisting of five luxury cabins, is located on a verdant wooded hillside overlooking the Pacific Ocean. The modern cabins are situated within walking distance of the secluded beach of Playa Hermosa and offer excellent views of the famed Whale Tail of the Marina Ballena National Park. The property also benefits from its proximity to Uvita, a rapidly expanding coastal town with plenty of multi-cultural character.

CABIN DESIGN: This newly built property incorporates five elevated cabins which stretch out over rolling green landscape beneath. The units are a fusion of modern and traditional design and compliment the surrounding tropical landscape, with a large bathroom and walk-in closet, in quality glass, bamboo and ceramic finishes. Each air conditioned cabin features expansive windows and ocean facing balconies.

OUTDOOR SPACE: With an extension of 13.16 acres this is a large property with landscaped grounds and paved footpaths leading to an open air – dining pavilion and poolside terrace.
