Property Description

A awesome value at \$299,000! This is pure Costa Rica jungle at it's best! This eco-lodge quality property is located in the 100% natural area of Dominical, on 10 large acres of land that features a waterfall, creek, hiking and walking trails. The dramatic mountain and jungle views make this a very special property. You will be living in a natural-made home, there is an additional guest house for visitors or even renters. This estate is a one a kind property with extreme value! The main house has 2500 sq ft with 2 bedrooms and 2.5 bathrooms built with high quality materials specially designed to become part of this natural area. The property has all communication technology you would need. PLUS you'll be just a short drive from the beach!! As well as minutes away from the amenities of Dominical. You will also be in touch with nature inside the house due to it's breathtaking details. With open spaces made to invite the sunlight, large windows facing the virgin forest, high ceilings and the fine wood construction materials that are the protagonists elements of the house.
