Property Description

The El Cielo Estate is a spectacular designed steel and glass masterpiece with uninterrupted 270 degree panoramic view of the Pacific Ocean. The home was featured in the 2005 Anniversary Edition of Su Casa Magazine, and was awarded the distinction of one of the ten best residences from the previous four years of publication. This expansive home offers more than 3600 sq. feet of air conditioned space on two levels, plus an additional 1200 sq. feet of deck space, a 610 sq. foot employee house and additional space for future expansion. The home is lined with professionally finished almond wood floors throughout which provide an organic contrast to the modern steel and glass design. The main level hosts the designer kitchen is complete with a 48" SubZero side-by-side refrigerator-freezer, Viking wall oven and cooktop, Thermidor warming drawer, granite countertops and all gourmet amenities and tools.
