Property Description

Great opportunity to own a lot with views of the Whale's Tail close to everything! This 1.7 acre, ocean view lot borders the jungle and overlooks the town of Uvita in the southern Pacific zone of Costa Rica. It has a great view of the famous Whale's Tail reef formation and the rainforest covered mountains. The building site is nicely sized and is one of the more easily accessible lots along the Rancho Pacifico road. Enjoy beautiful sunsets and the city lights at night. You'll hear the howler monkeys as they traverse the rainforest and glimpse the toucans in flight. Close to some of the most beautiful beaches in the area, Playa Hermosa and the Ballena Marine Park, and all of the great restaurants and outdoor activities. Looking for a larger piece of land? Owner has 2 other parcels above this one. Contact me for more information.
