Property Description

Private Resort Style Lifestyle and Sustainability Combined. This luxurious estate in Atenas combines private resort style living and sustainability. The Italian style home with 840 m² (9,041 square feet) of construction features spacious living areas to include formal living room and dining room, gourmet kitchen, office/library, entertainment area on the lower level, large pool with Jacuzzi, tennis court and basketball court. Fine finishes include granite counter tops in the kitchen, travertine marble in the bathrooms and artesian hard wood floors. Laundry areas are on each floor and majestic mountain views are captured from the bedroom balconies. The almost 1 hectare (2.32 acre) estate is completely enclosed to assure your privacy and security. It features over 200 exotic fruit and hardwood trees, a nursery, vegetables and irrigation system that will provide you with your own fresh organic food source and the private well provides pure, clean water all year round.
