Property Description

Built in 2011, this property holds amazing potential for anyone who is searching for a picturesque location to establish a spiritual or wellness center, a quiet B&B or to enjoy as a family vacation property. As soon as you set foot on the property, the tranquility experienced by all senses is grounding. The property is made up of 4.5 acres of rolling landscaped land and a secondary large ocean view building site with private entrance, meaning there is plenty of area for building a large private residence. The property is bordered by a beautiful cascading stream, which provides a truly peaceful auditory soundtrack to the yoga platform and pool area; combined with the surrounding jungle and the panoramic ocean view all the way to Manuel Antonio National Park, the serenity experienced here is soul touching. The retreat is comprised of a main building, a guest suite building, a pool and yoga deck.
