Property Description

Casa Amarillo is a cozy 2 Bedroom 2 Bath home on a very well-manicured lot with plenty of mature fruit trees and flowering plants. Both bedrooms have AC for when you need it. The elevation is 800 ft. above sea level so night time temperatures are pleasantly cool. Enjoy lounging by the pool or in the Rancho and enjoy the gorgeous mountain views. Have a green thumb? Then you will love the small greenhouse. Have pets? You will love the fenced area around the house, pool and greenhouse. This house is complete with two nice sized storage bodegas for your stuff and a carport for parking your vehicle. This house is totally turn key - fully furnished and ready for you to move in, down to a stocked kitchen, sheets and towels. Great internet too! It is located in a lovely gated subdivision called Brisas del Mar only minutes from the town of Uvita. There is a beautiful waterfall in the community and walking trails to the stream below the house.
