Property Description

From the moment you enter this property you will feel a sense of relaxation. Lush, green foliage frame this charming house and sounds of the river running through the property lull you into a peaceful state almost instantly. It is the ideal spot to get away from all the hustle and bustle of life and take in the natural beauty of Costa Rica. The house has been built to allow this natural beauty in from all sides with large windows and sliding glass doors allowing plenty of natural light and breezes and giving the effect of being outdoors while inside. The front porch serves as an outdoor living room and a perfect place to sip your morning coffee or read a book. On the first floor you will find a spacious kitchen, two bedrooms both with sliding glass doors that open onto a porch, a bathroom and an oversized hallway with skylight that can also serve as an office. The downstairs portion of the house has a space for doing laundry and second bathroom equipped with a full size bathtub.
