Property Description

What a fantastic opportunity to own two homes for the price of one! One home is a 3-bedroom 2-bathroom and the other is 2-bedroom 2-bathroom (a 3rd bedroom can easily be added). Each comes fully furnished and both are move in ready. They are located in the charming village of Ojochal which is only minutes from several gorgeous beaches, rivers and waterfalls that this area is known for. The neighborhood is a wonderful mix of Locals and Expats from all over the world. These neighboring homes are on spacious lots and the owners have spent a lot of time updating and adding wonderful amenities to the property such as a large pool, covered parking, fencing, landscaping, paths and gates for each home. You will love the open and airy feel and the beautiful outdoor living space. You can enjoy the sounds of the howler monkeys in the distance calling out, a huge array of birds, and even see macaws as they fly over your house each morning! You will love walking in your garden picking mangoes, citrus, bananas and starfruit from your trees.
