Property Description

Perfectly suited for those looking for a new, high-end turnkey home in Costa Rica that incorporates impeccable design and quality craftsmanship. Nestled in the jungle hillside, you will have all the comfortable features of a modern home, surrounded by the beauty, sights and sounds of the tropics. Nature provides a new and different experience each day. Share the joy with family and friends! The ultimate in privacy and tranquility – you do not see another home! It's all about The View! This is the most outstanding feature of the home and property. At 1400 feet above sea level, you can see the Osa Peninsula on the left, then the coastline leading to Manuel Antonio National Park on the right. Epic sunsets light up the evening sky with rich golden colors. Details of the surf, sandy beaches, and the river delta can be seen at this elevation. The home is located on 3.8 acres, in the prestigious "Hills of Portalon" community, 8 minutes off the Costanera highway, situated between Quepos (20 min), Dominical (10 min), and Uvita (25 min).
