Property Description

This tropical property is located in Uvita, where the whale's tail is and the National park Marino Ballena. The property consist in 2 homes that are located far enough in order to give the privacy you are looking for. The main home offers a 2 bedrooms in the ground floor, open concept terrace and kitchen/living area and 1 huge master bedroom on the top floor with private balcony looking out the whales tail. Outside is where you can sit all day long, under roof or open by the pool, the patio around it is amazing and big. There is a small look out with dinning table and chairs so you can enjoy the Toucans and Monkeys. The 2nd home which was built last year and a huge improvement to the property. It offers 2 car garage & Bodega in the ground floor plus 2 bedrooms 2 bath in the top floor, modern, clean, simple but luxurious in the woods. As far as location, this is the main topic. You can access Uvita town with in 5 minutes or less from the property on a well maintain road.
