Property Description

CASA TRES PECES represents the ultimate in luxury beachfront living. Set amongst one of Costa Rica's most magical settings in the Osa Peninsula, this property is a unique find due to its prime location on the beach and world class surf break. Surrounded by impressive natural wonders, Casa Tres Peces is one of the few remaining properties of its kind in the area. If you are beach and nature lover looking for an exceptional residence at the beach, Casa Tres Peces is the perfect choice. Already proved to be a successful beach vacation rental property, Casa Tres Peces offers room for expansion to accommodate more guests. An incredible opportunity that won't last long on the market, this property is just waiting for the right owner to maximize its potential to the full. Combining elements of sustainable tropical architecture, this beautiful two-story home sits facing East. Incredible sunrises are to be enjoyed on an elevated rock formation extending out onto the beach, along with spectacular views of the Golfo Dulce meeting the Pacific Ocean.
