Property Description

Are you seeking privacy in a jungle setting? How about an ocean view with easy access? Or what about the ability to live in a nice home while building you main home? You have stopped at the right product for you! Located in Cashew Farm, Ojochal Costa Rica, this is a wonderful property with so many options to consider. As you enter the property you are greeted with two building site options for future expansion. Drive up the hill past the main existing home where you end at an amazing building site with spectacular ocean and valley views... This is where your mind begins to wander.... The one-bedroom, one-bath existing home is a perfect size for a couple seeking to get their feet wet or for long term. Walk out from the kitchen onto the great outdoor living area terrace to enjoy breakfasts. A nice sized pool and elegantly appointed Gazebo are a perfect way to spend the day. Below the pool is one of the three building areas to consider or to plant more fruit trees.
