Property Description

Perfect for families who entertain frequently or for the investor searching for a property with income producing potential, this newly built, airy home has everything you need for relaxing living. The 2-bedroom/2-bath main home features spectacular ocean views for complete serenity. Surrounded by lush tropical landscaping and lots of fruit trees, this fenced and gated home is designed for superior privacy. A pristine, sparkling swimming pool located just steps from the home provides the perfect backdrop for relaxing and entertaining. Inside the home, you will find a host of convenient amenities, including a dishwasher, walk-in showers, and granite counter tops, upgraded cabinetry and stainless appliances.. A well concession permit is already in place. This home also features its own charming 1-bedroom/1-bath casita. Complete with a full kitchen, this casita was built in 2010 and boasts a spacious rancho and spectacular views.
