Property Description

Those familiar with Ojochal know how rare it is to find property for sale on Calle Perezoso and this 2 bedroom, 2.5 bath Luxury Villa will not disappoint. Built-in 2017 on 3.21 acres of land this property has stunning ocean and mountain views and is conveniently located within a 5-minute drive from the center of Ojochal's Village, a culinary hot spot in the jungle of the South Pacific Coast with pristine beaches, diverse wildlife, and untouched rainforest. This fully furnished and meticulously maintained Villa measures 250 square meters (2,691 square feet) with floor to ceiling windows throughout the residence complimented by an indoor atrium garden in the center of the open concept living area. The master bedroom/bathroom includes a large shower with impressive jungle views, top of the line fixtures, and both the master and second bedroom are equipped with air conditioning, however, it is unlikely they will get much use due to the Villa's natural ventilation and regularly occurring gentle ocean and mountain breezes.
