Property Description

This spectacular property of more than 1 hectare of land for sale in Heredia is located in the beautiful sector of San Isidro. Constructora Proinsa, a solid and recognized construction company founded in 1999, the company is recognized for the high-quality standards it delivers in its works. The architecture of the house is of the renowned Rolf Ruge (RIP), originally from Costa Rica with German ancestry, master in urban planning and which strongly promoted ecological architecture. The house was completed in 2009; however, the garden process began in 2000. The spectacular gardens include a variety of plants and trees, among which are hydrangeas, orchids, forest flame, variety of pine trees, cypress, golden rain, apple trees, isopo, cork, savanna oak, jaules, wizaro, azaleas, passionflower, lemons, orange, wizaro, corners of stone, blackberries, among others. The social area offers several ambiances all overlooking the gardens, the living room has a beautiful gas fireplace.
