Property Description

This white water ocean view development property is super amazing. It is a perfect location for building a hotel or boutique bed and breakfast concept, and or a private luxury home. The amazing tree canopies and abundant wild flora and fauna make it a topnotch attraction in Dominical, Costa Rica. There are monkeys, birds, and other beautiful species amidst the evergreen and lush tropical rainforest perfectly surrounded by beautiful and modest mountains. The soothing breeze flows out of the serene ecosystem is also pleasurable. The property gives easy access to learn how to surf, swim, scuba-dive, mountaineer, fish, snorkel and other recreational activities. One can also find many types of starfishes, sea cucumbers, hermits, among other beautiful and rare aquatic species. Its strategic location makes it a great rental property, with a massive size of 7.51 acres; it sure can accommodate magnificent property development whether commercially and for the private residence.
