Property Description

This magnificent home will take your breath away with its design, views and the privacy it provides. Boasting rainforest, mountain and ocean views from every room. This unique, modern luxury home designed by award-winning architect Juan Robles was featured in "Su Casa" magazine in December 2012 – January 2013. The magazine Su Casa is ideal reading for those seeking news on architecture, urbanism, design, heritage, culture and sustainability. This stunning 2-story home includes 3 bedrooms and 4 bathrooms, unbelievable 22 foot ceilings in the kitchen and living room areas with towering glass walls and an infinity pool. The master bedroom occupies the entire second floor and features 180 degree views with floor-to-ceiling windows. This home features high-end finishes throughout, including a Mitton Italian-imported kitchen, tropical hardwoods, and sleek stainless steel appliances. A serene water mirror feature flows through the living and kitchen areas, bringing the outdoors in.
