- Playground

Property Description

Located across from the Ballena National Marine Park, with uninterrupted ocean views of Ballena and Tres Hermana's Islands, you will find this gem of a home. It will take you all but a thirty second drive off the main highway (Costanera) on a perfectly maintained road. When you arrive you will enjoy the 3-bedroom, 2 bath great-room style residence. Enter the doors and on the left side of the home is the laundry room and three bedrooms. In the center is the great-room, dining and kitchen surrounded by large glass doors which invite the jungle and ocean views with plenty of natural light. Off of the master bedroom is the pool and deck area that is perfectly situated amongst the towering rain forest trees and impeccably manicured grounds. A large terrace wraps around the front with ample seating and a lovely BBQ area. There is a one-car garage that enters the laundry room area. This is a perfect place to call home.
