Property Description

Hard to find FLAT and beautiful location, at approximately 1200ft elevation, this home offers it all, with most incredible ocean views, cool gentle breezes, vibrant plants and flowers, fruit trees, abundant wild life, and so much more in one of the most sought after neighborhoods in Ojochal. The artful construction of the home was extremely well planned to maximize natural ocean and mountain fed breezes, and to gently flood the interior with natural light. This home exudes pride of ownership, at a price range that simply makes sense. This home offers 2 generous bedrooms with oversized private master baths, and 3rd private bedroom and bath, an open concept living space, an office or 4th bedroom, vaulted wooden ceilings, and an incredible amount of character throughout the interior and exterior. A beautiful hardwood deck wraps completely around this home, with access from the front entrance and the kitchen.
