Property Description

From the popular area of Escaleras, enjoy a view of the ocean and easy access to beautiful beaches from this custom home that is fully furnished and ready for immediate move in. Set on a lot that is surrounded by Costa Rica's natural world, the home has two levels. On the first level is your open living area with fully equipped kitchen, dining and sala. The front is all glass so you can open it up to cooling ocean breezes and views. Simply but completely furnished, it includes everything you need make it suitcase ready. A bedroom and bathroom on the first floor completes the easy living for someone who does not want to go upstairs, or for guests. On the other hand, you may choose to stay down there and let guests have the upstairs. On the second floor there are three more bedrooms and bathrooms. Each was created to enjoy the same open views and breezes, and are furnished for your convenience.
