Property Description

This home is all about peace and tranquility! Relax on the patio next to the pool and gardens, or lie in the hammock on the large suspended deck overlooking the river. Keep an eye out for the monkeys that frequent the trees along the river right next to the house! You'll feel like you're in your own private oasis, far away from it all. It's hard to believe that you're only a few minutes from the heart of Ojochal, restaurants, shopping, and beaches. This artistic house features beautiful decorative stone, gorgeous woodwork, and decorative wrought iron designs on the doors. In addition to its great design, the house is also environmentally friendly and energy-efficient, with solar power and battery back-ups, including solar hot water. The master bedroom on the main floor has a huge walk-in closet and a spacious master bathroom. A second-floor loft is an area for an additional bedroom or secondary living area.
