Property Description

Be the first to own this spectacular brand new home. Located only 5 minutes from Ojochal center and all the amenities of the area such as restaurants, shops, supermarkets, pharmacies, doctors, hardware stores, and more. Within 10 minutes of 2 beaches. Fantastic ocean view, with sunsets part of the year directly into the Pacific Ocean and the rest of the year you see the amazing colors behind the mountains. Elevated setting with unobstructed ocean breezes to enjoy the indoor/outdoor lifestyle that Costa Rica is all about! Walk in through the double front door to a spacious foyer, open kitchen with huge island, and living room all with ocean view. From the kitchen and living room area the patio doors open to the terrace and the highlight of the home; the outdoor living space! The yard is beautifully landscaped and perfectly designed to enjoy a relaxed tropical lifestyle entertaining family and friends by the pool.
