Property Description

Casa La Joya gets its name from its perfect perch in the hills overlooking Quepos and Manuel Antonio - it's a gem of spot. Views span the gorgeous Nara Mountains, Quepos and its marina, to the ocean beyond. One beautiful home or two equally beautiful apartments, this property offers its owner several rewarding options for its use. Anyone lucky enough to live here would need nothing more than a glass of wine, good company, and time to enjoy the natural ambiance. This 4 bed / 3.5 bath home is refined, elegant, and ready to move in. Upgraded by the owners for their own use, no detail is left undone. All finishes are the finest quality, every design choice displays impeccable taste. Throughout the home the floor is an elegant, warm neutral porcelain tile. The trims and doors throughout are rich, Costa Rican precious wood executed with fine carpentry to bring the whole place together in a warm tone.
