Property Description

Riverfront Home with Cabins, a Gem of a Property! Welcome to one of the most beautiful river properties in Uvita! Start your day with a aromatic cup of coffee on the spacious deck, while watching the howler monkey's move through the trees. During the day busy yourself in the garden or in welcoming guests to the cabins. In the afternoon, enjoy a cool dip in the river to benefit from its negative ions. What more could one want in a day? The main home - 2,000ft² - provides a open concept layout with natural airflow and abundant light. The two bedrooms are spacious, with roomy en suite bathrooms. The master has a walk-in closet. The bedrooms are already prepared for air conditioning units. The main living area allows for creative use of the space. The gallery kitchen is the perfect space to enjoy cooking while being engaged with the rest of the home. The beautiful feature beams made from local hardwood, called zapatero, put the space in touch with its natural surroundings.
