Property Description

3 bedroom, 3 bath, 3 level villa located in residential Rancho Manuel Antonio, a development with 24 hour security and paved roads in a gorgeous jungle setting just off the main road to Manuel Antonio. A year-round creek and waterfall that runs through the property, is tropical modern in style with Balinese touches throughout, including the raised bamboo ceilings and very large doors. The main floor has a spacious living area and a kitchen with granite countertops, stainless steel appliances and custom made wooden cabinets. The master suite, located just off the main living area, features a massive Indonesian antique head board and a bathroom in marble stone surface finishes furthermore easy access to the private terrace and down to the central pool and patio. The other two bedrooms are located on the other side of the main living area and are accessed from the terrace or down the stairs from the living.
